

iSpector Mini

RECHARGEABLE SLIM FOLDING POCKET INSPECTION LIGHTS

Compact, fold-flat, and built for precision, these rechargeable inspection lights are ideal for confined spaces and hands-free work.

The iSpector Mini delivers 280 lumens with three directional LED heads for wide, focused, and spot lighting. Perfect for tight engine bays and toolboxes.

The iSpector 400 steps up with 400 lumens, a glow-in-the-dark light bar, red warning mode, and a magnetic tip for retrieving lost screws. Both models feature USB-C charging, magnetic bases, hanging hooks, and durable housings built to withstand workshop conditions.

- 3 in 1 – Work light, Torch, Rear light
