PERFORMANCE / PRODUCT SPECIFICATION

LUMENS	20,000
BEAM DISTANCE	Up to 50m
RUNTIME	2-16hrs
MODES	High/Medium/Low/Eco
BATTERY	14.8V 18Ah, 266.40Wh
BATTERY TYPE	LI-ION / LFP
CHARGE TIME	8hrs
IP RATING	IP65
DIMENSIONS	99 x 20 x 20cm
WEIGHT	9.5kg
PRODUCT CODE	NSSPORTSTARKIT

*DELIVERING A POWERFUL 40,000 EQUIVALENT LUMENS

Thanks to precision-engineered optics, this 20,000-lumen system delivers effective illumination equivalent to a 40,000-lumen floodlight — achieving match-level brightness across the pitch with half the energy. The advanced lens design focuses light where it's needed most, increasing lux levels on the playing surface while reducing glare, spill, and wasted output.

HOW MANY KITS DO I NEED?

WHETHER YOU'RE LIGHTING UP A FULL PITCH OR SHARPENING SHOOTING DRILLS BEFORE SUNDOWN, SPORTSTAR DELIVERS SERIOUS ILLUMINATION — WHEREVER YOU NEED IT.

FULL PITCH — 16 KITS **MATCH NIGHT, FULL COVERAGE.**

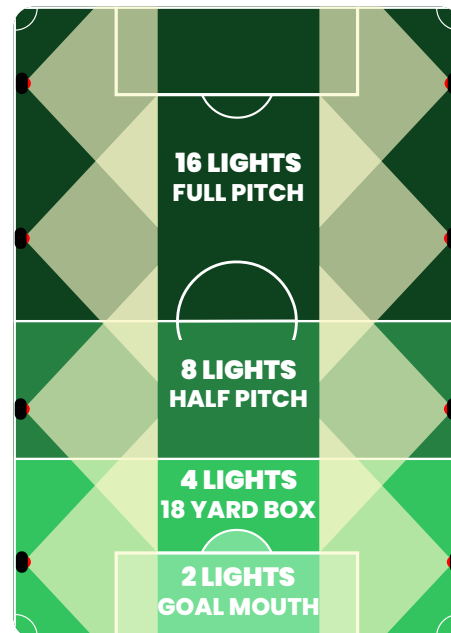

Floodlight your entire 11-a-side playing field to professional standards. Ideal for clubs, academies, and competitive fixtures requiring consistent lux across every zone.

HALF PITCH — 8 KITS **TRAINING GROUND READY.**

Perfect for midweek sessions, small-sided games, or focused tactical drills. Covers one full half with uniform lighting from box to wing.

18-YARD BOX — 4 KITS **SHARPEN THE FINISHING.**

Illuminate key attacking zones — ideal for shooting practice, keeper warm-ups, and penalty drills. Covers the full depth and width of the box.

GOAL MOUTH — 2 KITS **SPOTLIGHT THE SAVE.**

Targeted lighting for goalkeeper training and finishing drills. Covers the area directly in front of the goal with minimal spill.

HOW DO I APPLY FOR A GRANT?

FOOTBALL FOUNDATION GRANT SUMMARY

Clubs can receive **up to £25,000**, covering **up to 75%** of total project costs, specifically for portable floodlighting systems used on artificial or natural turf. It's designed to help grassroots teams light their training areas without the need for permanent infrastructure.

WHO CAN APPLY

Only not-for-profit football clubs. Applications must be submitted by a club Chair, Secretary, or Treasurer.

WHAT'S COVERED

- Portable floodlights for training areas on artificial or natural turf
- Systems that allow flexible, non-fixed installation

WHAT'S NOT COVERED

- Permanent/fixed floodlights on grass pitches
- More than one application per season unless agreed in advance

TIPS FOR SUCCESS

- Ensure all forms are fully completed and accurate
- Both listed contacts must be club officers
- Review guidelines carefully to avoid delays
